

CIS 350 – Weekly Meeting Minutes Template

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to “meetings” folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: Chutes and Ladders

Members present: Garrett, Josh, Landon

Date: 4/04/25

Time: 11:00 pm

Discussion points:

- What we accomplished this past week
 - Josh fixed game issues when playing with three or four players
 - Garrett implemented win game condition and end screen
 - Landon worked on implementing saving a game

Goals for next week (include responsibilities):

- Josh will work on getting release document ready for final release
- Garrett will work on making the pieces move smoother (travel instead of teleport)
- Landon will continue working on implementing saving a game
