

CIS 350 – Weekly Meeting Minutes Template

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to “meetings” folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: Chutes and Ladders

Members present: Garrett, Josh, Landon

Date: 2/27/25

Time: 11:00 am

Discussion points:

- What we accomplished this past week
 - Added a start screen
 - Start
 - Load game
 - Quit
 - Added roll dice feature
 - Wrote initial drafts of use case descriptions

Goals for next week (include responsibilities):

- Find pictures to use for player pieces and figure out how to put them on the board
 - How to put two pieces on the same square
 - Landon
- Start working on implementing moving player pieces the rolled amount of spaces
 - The top priority for the first release so everyone will work on it
