

CIS 350 – Weekly Meeting Minutes Template

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to “meetings” folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: Chutes and Ladders

Members present: Garrett, Josh, Landon

Date: 2/14/25

Time: 12:00 pm

Discussion points:

- What we accomplished this past week
 - Fixed issues with spinner visual and functionality
 - Added quit option to start screen

Goals for next week (include responsibilities):

- Josh will work on the release document
- Garrett will work on adding a noise to the spinner
- Landon will continue working on implementing moving player pieces the rolled amount of spaces
