

CIS 350 – Weekly Meeting Minutes Template

Hold a team meeting at least once a week in some format. Copy the template below into a new document, naming it CIS350-YYYY-MM-DD (replacing the appropriate date fields). Commit it to “meetings” folder of your project on GitHub. There should be a unique document for each meeting held.

Project name: Chutes and Ladders

Members present: Garrett, Josh, Landon

Date: 3/21/25

Time: 11:00 pm

Discussion points:

- What we accomplished this past week
 - Starting looking into how to accomplish our task

Goals for next week (include responsibilities):

Everyone will continue to work on their assigned tasks

- Josh will work on fixing the issues when playing with three or four players
- Garrett will work on making the pieces move smoother (travel instead of teleport)
- Landon will work on implementing the win condition and game end screen
